

# Southeastern Minnesota Synod

## Global Mission/Companion Synods Speakers

Is your congregation interested in global missions? Do you wish you were more connected to God's global family?

Do you want to fire up your congregation about ministry around the world.

The speakers listed below have stories to tell! They are all connected in different ways to our partner synods in Tanzania, Colombia, and South Sudan. These speakers are willing to speak to large or small groups. Please plan ahead, especially for Sunday morning engagements. Check with speakers about their needs for equipment and space. It is a welcome courtesy to offer mileage reimbursement.
