

THE BRIDGE: 2017 CALENDAR

This year's synod theme is Equipping Congregations. The Office of the Bishop is committed to empowering our congregations to understand the Gospel-centered purposes and functioning of the synod. In the year ahead, we will do this through sharing stories about real people and real congregations. Each monthly issue of The Bridge will focus on a different area of synodical ministry.

<i>January</i> INTRODUCTION TO THE "WHAT IS?" SERIES	<i>February</i> <i>What is...</i> CANDIDACY
