

Meet Bishop Hassanally: Rev. Regina Hassanally has served as Bishop of the Southeastern Minnesota Synod, ELCA since September of 2019. As bishop she delights in conversations with pastors and deacons, walking alongside congregational leaders, Sunday morning coffee hours, and imagining future possibilities. She believes in the power of God to transform lives and her ministry is focused on gospel proclamation. Prior to being called as bishop, Regina served a vibrant and lively congregation in rural southeastern Minnesota. While serving as a parish pastor, she loved preaching, teaching confirmation, and, along with her congregation, exploring Scripture as they discerned together the ways the Spirit was at work for the sake of God's glory in the world. Regina has a B.A. in Biology Health Professions from Northwestern College, Orange City, IA, and a Master of Divinity from Palmer Theological Seminary in Wayne, PA. She is married to Terrence, an avid Manchester United fan, and together they parent four active boys who have no trouble finding adventure.

Synod means “to walk together.”

The three expressions of the ELCA are congregations and specialized ministries, synods, and the churchwide organization. The synod consists of congregations, groups, leaders, and members. Our domestic partner synod is the New England Synod. Our global partners include Evangelical Lutheran Church of Colombia (IELCO), Evangelical Lutheran Church in Tanzania - Central Diocese (ELCT-CD), and Evangelical Lutheran Church of Africa – Mission in South Sudan (ELCA-MSS).

The Office of the Bishop is one part of the synod. It exists to accompany congregations and leaders, serve as a bridge between worshipping communities and the churchwide organization, and equip and empower the people in our communities as they proclaim the gospel of Jesus.

The Five Conferences:

- Blue Earth River Conference
- Cannon River Conference
- Minnesota River Conference
- Root River Conference
- Zumbro River Conference

Each conference serves to cultivate relationships between congregations, provide a community for ministry leaders, select representatives to synod boards and committees, and create workgroups in alignment with the mission of the synod. Each holds monthly meetings and annual conference assemblies. Officers are also elected to represent each conference. Learn more at: semnsynod.org/conferences.

Call Process:

Pastoral transitions are inevitable and important times for both congregations and leaders. The Office of the Bishop will work with you during this journey to make it as smooth as possible for everyone involved.

The **four phases of the call process** for congregations are:

1. The Transition Process
2. The Self-Study Process
3. The Interview Process
4. Welcoming Your New Pastor

Candidacy:

Candidacy is the churchwide process of preparation and formation leading to approval for the public service in this church as a rostered **Minister of Word and Sacrament (Pastor)** or as a rostered **Minister of Word and Service (Deacon)**. Candidacy calls for active partnership between candidate, congregation, synod, seminary, and the Congregational and Synodical Mission (churchwide unit).

It is by Christ’s gift that all baptized persons are called to ministry in daily life. The ELCA is committed to the intentional identification and recruitment of those persons who are so gifted by God that they can provide leadership in this church. Through a process of reflection and discernment, individuals are encouraged to consider whether they are called by God through the church to serve as a rostered minister.
