

**Southeastern Minnesota Synod  
Lutheran Men in Mission - Saturday April 26, 2025**

## **Breakfast With the Bishop**

John Sundquist is the Executive Director of Lutheran Men in Mission (LMM). Started in 1988, LMM has encouraged men to grow deeper in their relationship with Jesus Christ. Helping them become the men and leaders God has called them to be. More specifically, LMM intentionally discipled men by personally modeling the character of Jesus and by doing so help to transform them into Christlike men who naturally love and serve those around them.

The son of a pastor, John grew up in Minnesota, Michigan and Ohio before moving to Chicago to attend college. He is a graduate of both North Park University and North Park Theological Seminary in Chicago, IL. Prior to becoming the Executive Director for Lutheran Men in Mission John served for 16 years as pastor to several congregations. Since then, he has worked with faith-based nonprofits. Throughout his career he has successfully led these organizations through times of transition, growth and change.

Together with his wife, Karen, of 33 years, John currently lives in Sawyer, Michigan on the southeast shores of Lake Michigan. They have one son, Emmett, and two rambunctious cats.

Asst. to the Bishop, Matt Larson will be present to share a devotion.
