Published: October 1, 2025

Please note: This workbook has been updated to include all potential positions for nomination. Positions with open vacancies are highlighted in yellow following the qualifications.

Instructions

The Synod Nominating Committee is responsible for nominating one person for each position for which an election will be held at the **2026 Synod Assembly**. In advance of the assembly, the nominating committee seeks nominees for consideration. Nominations in specific categories also can be made by voting members on the floor of the assembly.

This booklet is designed to aid you in recommending nominees to the nominating committee. For each board or committee for which there will be an election, you will find the following information:

- A list of the positions for which nominations are sought, along with any restrictions placed on a given nomination.
- A list of people whose terms are expiring.
- A list of continuing members of the board or committee.
- A job description for the board or committee.

The Synod Nominating Committee is responsible for nominations to committees and vacancies on the Augsburg University Board when such are needed. It welcomes names of people appropriate for these posts. Please provide the nominating committee with the names, contact information, and a list of leadership qualities of as many people as you deem qualified for the indicated vacancies. Please encourage others to submit nominations as well.

The nomination process is governed by the principles detailed in the *Constitution, Bylaws, and Continuing Resolutions of the Southeastern Minnesota Synod*. Please nominate only people who match the requirements of a given category.

Recommend a nominee to the nominating committee by completing the online nomination form at semnsynod.org/nominations by March 8, 2026.
