We are a church that believes God is calling us into the world — together.

The ELCA's 65 synods vary greatly in size, geography, membership, staffing, and program. Our smallest synod has 30 congregations — the largest nearly 300. The synods are grouped into nine regions, which are points of connection for them and the churchwide organization. Synods unite the work of congregations within their areas, serve as regional support, and guide pastoral and other staff candidates.
